CITI ACQUIRES MINORITY STAKE IN BATS TRADING

NEW YORK and KANSAS CITY, Mo. – Citi today announced it has made a minority investment in the BATS ECN, a fast-growing market center offering trading in U.S. equity securities.

Financial terms of the investment were not disclosed.

"We are pleased to invest in BATS Trading, which complements our in-house electronic execution capabilities, as well as our ongoing strategic and financial investments in this space," said James Pak, Head of Market Structure Investments at Citi.

"We are proud to announce Citi's investment in BATS, a move which further validates our aggressive, dealer-friendly business model," said BATS Chief Executive Dave Cummings. "BATS was built to serve the dealer community, and we thank all of our partners and subscribers for their continued support."

Citi participated in the latest BATS investment round along with several existing BATS investors, totaling \$45 million in new funding for BATS.

###

About Citi

Citi, the leading global financial services company, has some 200 million customer accounts and does business in more than 100 countries, providing consumers, corporations, governments and institutions with a broad range of financial products and services, including consumer banking and credit, corporate and investment banking, securities brokerage, and wealth management. Citi's major brand names include Citibank, CitiFinancial, Primerica, Citi Smith Barney and Banamex. Additional information may be found at www.citigroup.com or www.citi.com.

About BATS Trading

BATS Trading Inc., Kansas City, Mo., was founded in June 2005 in response to rapid consolidation in the exchange space. The BATS ECN is designed to handle high-speed, high-volume, anonymous, reliable, algorithmic trading. Other investors in BATS include Credit Suisse, Getco LLC, Lehman Brothers, Lime Brokerage LLC, Merrill Lynch, Morgan Stanley and Wedbush Inc.
